	1	<p>1 Pair of heavy, compact dumbbells MAX GYM EQUIPMENT that are adjustable from 2 kg to 32 kg for each home gym with holder!</p> <p>These dumbbells are adjustable from 2 kg to 32 kg per dumbbell and thus replace a full set of heavy dumbbells in a space-saving solution. The handy adjustment system makes changing weight quick, easy and safe. When the dumbbells are in the holders, the weight can be adjusted in steps of 4 kg by turning the handle. As soon as the dumbbell is lifted from the holder, the adjustment mechanism locks so that the handle cannot turn inadvertently during the workout. Thanks to its compact design, this dumbbell set is ideal for home gyms, but also for personal trainers, company fitness, hotels, holiday homes, yachts, etc.</p> <p>Weight steps: 2-4-8-12-16-20-24-28-32kg</p> <p>Advantages: compact, robust, normal dumbbell shape, space-saving, ...</p> <p>This is a new product in packaging (3 boxes)</p>	460 €
